

R&D Directory 2019 Product Heading List

LAB EQUIPMENT

Batching and Materials Handling:

00300 Balances
00400 Blenders
00500 Grinders/Media
00600 Mills
00700 Mixers
00800 Sieves

Forming and Finishing:

01000 Presses
01050 Pug Mill/Extruders
01100 Rapid Prototyping Equipment
01200 Sample Prep

Firing/Drying:

01400 Dryers
01500 Furnaces
01600 Kilns

Environmental/Safety Products:

01800 Dust Collectors/Control
01900 Exhaust Hoods/Fans
02000 Vacuum Cleaners
02100 Other Lab Equipment

INSTRUMENTATION

05100 Differential Scanning Calorimeters
05200 Dilatometers
05300 Glass Testing
05400 Hardness Testers
05500 Nondestructive Testing
05600 Particle Size Analyzers
05650 Powder Testing
05700 Rheometers
05800 Spectroscopy Instruments
05900 Surface Area Analyzers
06000 Thermal Analysis/DTA
06100 Thermal Conductivity

06200 Thermal Diffusivity
06300 Thermomechanical Analysis
06400 Viscometers
06500 X-ray Diffraction Instruments
06600 Other Instrumentation

SERVICES

07010 Advanced Ceramics
07020 Calibration
07030 Ceramic Printing, Digital
07040 Ceramic Research
07050 Chemical Analysis
07060 Chemical-Resistant Labware
07070 Classification, Custom
07080 Consultant
07090 Design
07100 Digital Ceramic Printing
07110 Education
07120 Feasibility Studies
07130 Formulation Development, Ceramic Coating
07140 Grindability Testing
07150 Imaging System Design
07160 Inspection
07170 Laboratory Testing
07180 Lead/Cadmium Testing
07190 Legal Service, Patents and Trademarks
07200 Machined Ceramics
07210 Machining
07220 Market Research
07230 Material Analysis
07240 Prototyping
07250 Rapid Prototyping
07260 Research and Development
07270 Resonant Inspection
07280 Spectrochemical Analysis
07290 Standards for Materials
07300 Technology Transfer and Licensing
07310 Testing
07320 Testing Refractories
07330 Testing Service, Information
